02 JULY 2024

PUBLIC NOTICE!!! PUBLIC NOTICE!!! PUBLIC NOTICE!!!

PREPAID ELECTRICITY TARIFFS

After consultation with the prepaid electricity system vendor, it has come to our attention that the vending system does not allow them to override the system to make the necessary corrections within this month of July as there has already been transactions processed. As such all transactions for this month will be on the higher tariff and can only be corrected starting 01 August 2024.

Due to the **blocked tariffs (0-50 units, 51-350 units, 351-600 units, 600 units and more)** used we will however only be able to provide the difference in units after the month of July 2024 has ended.

You are requested to continue providing the revenue officials with the following information to ensure you are provided with your units in due course:

Name:	
Surname:	
Address:	
Email:	
Cellphone:	
Prepaid Meter Number:	
Date of Purchase:

We sincerely apologize for the inconvenience this has caused.
